

FUND PROFILE & STRATEGY

The IP Global Momentum Equity Fund is a moderate to high risk, global, equity fund. The objective of this portfolio is to achieve capital appreciation by following a quantitative medium to long term equity strategy investing primarily in foreign markets. The portfolio constructed using proprietary ranking and weighting methodologies to select momentum, value and blue chip shares. Investments to be included in the IP Global Momentum Equity Fund will, apart from assets in liquid form, consist of equity securities and financial instruments and may include listed property. Investments will be primarily in foreign markets but there will be no restrictions on the geographic asset allocation.

WHO SHOULD INVEST?

This fund is suitable for investors who are looking for out-performance relative to the S&P 500 Total Return Index and want long-term capital growth. The fund offers strategy diversification from traditional investment styles and offshore exposure

* At the date of publication of the MDD the management fees are 1.00% on A and C classes (effective 01 October 2020) and 0.85% on B class (effective 01 October 2020)

DISCLOSURES

Collective Investment Schemes are generally medium to long term investments. The value of participatory interests or the investment may go down as well as up. Past performance is not necessarily a guide to future performance. Collective investment schemes are traded at ruling prices and can engage in borrowing and scrip lending. A schedule of fees and charges and maximum commissions is available on request from the manager. The Manager does not provide any guarantee either with respect to the capital or the return of a portfolio. The Manager retains full legal responsibility for the Fund, regardless of Co-Naming arrangements. Transaction cut off time is 14:30 daily. Each portfolio may be closed for new investments. Valuation time is 15:00:17:00 at quarter end. Prices are published daily and available newspapers countrywide, as well as on request from the Manager. IP Management Company (RF) Ltd is the authorized Manager of the Scheme. Contact 021 673 1340 or clientservices@ipmc.co.za. Standard Bank is the trustee/custodian. Contact compliance@ipmc.co.za. Additional information including application forms, the annual report of the Manager and detailed holdings of the portfolio as at the last quarter end are available, free of charge, from clientservices@ipmc.co.za. IP Management Company (RF) Ltd is a member of ASISA Financial Advisor fees as agreed between the Investor and the Advisor may apply and payment to the Advisor will be facilitated on behalf of the Investor. A statement of changes in the composition of the portfolio during the reporting period is available on request. Performance shown is for the portfolio. Individual investor performance may differ due to initial fees, actual investment date, re-investment date and withholding taxes. The portfolio may include foreign investments and the following additional risks may apply: liquidity constraints when selling foreign investments and risk of non-settlement of trades; macroeconomic and political risks associated with the country in which the investment is made; risk of loss on foreign exchange transactions and investment valuation due to fluctuating exchange rates; risk of foreign tax being applicable; potential limitations on availability of market information which could affect the valuation and liquidity of an investment. All of these risks could affect the valuation of an investment in the fund. The EAC is a standard industry measure which has been introduced to allow you to compare the charges you incur and their impact on the investment returns over specific periods. Please visit <http://www.ipmc.co.za/effectiveannualcost> to address the EAC illustration. You can request an EAC calculation from clientservices@ipmc.co.za or call us on 021 673 1340. The annual management fee is calculated daily, adjusted for fund expenses and cash flows. For information regarding our fee structure, please contact us.
